European Radiant Facial \$79

With Advanced Treatment \$129

Facial with Dermaplaning \$150

An exfoliating treatment that gently removes the surface layers of dead skin cells and hair from your face for clearer, smoother, radiant skin.

Bi-Monthly Treatments

2 Advanced \$150 2 Premium \$225

2 Premium or Advanced services per month based on your goals and skin needs as determined by your Esthetician. No contract or autopay, simply pay each month when you book your services.

ADVANCED TREATMENTS

Hydraderm Treatment \$160

Deep cleans blocked pores. Removes dead, dulling surface cells and debris. Improves product absorption, softens and smooths lines, and increases skin hydration for the ultimate healthy skin glow.

bt-Sculpt PRO \$160

Microcurrent - a positive and negative ion charge to the facial muscles that significantly tightens, sculpts, and lifts, eliminating lines. Perfect for loose or sagging skin around the neck, chin, and cheek area.

LED Light Therapy \$160

Bio-Therapeutic LED Light Therapy paired with a high grade Hyaluronic Acid gel sheet and serums selected for your skin's needs. Red light for anti aging. Blue light benefits acne. Combination red/orange for calming and repairing the skin. Instant results can be seen after one treatment.

Nano Microexfoliation \$160

Exceptionally effective service that exfoliates dead skin creating radiant, even toned smooth skin with improved overall texture and softens lines. This FDA approved microexfoliating device is completely non-invasive, and will deliver unparalleled results.

Microderm Abrasion \$160

Smooths scars, lightens sun damage, erases lines, shrinks pores, reduces oily skin

Add Dermaplaning to service \$75

Treatment that gently removes the surface layers of dead skin cells and hair. The results are truly polished skin. **YOU WILL LOVE YOUR SKIN**

PREMIUM TREATMENTS

Cryo Sculpting \$185

Our new Cryo Sculpting Treatment is the controlled process of elimination of unwanted fatty cells through the concentrated application of cold. Cryo Sculpting focuses on one specific area of the body at a time, the target temperature range is +4 to -4C, with three to five treatments per area recommended for best results.

Microneedling \$195-250

After skin numbing a pen cartridge with tiny needles are used to create Micro Channels which stimulate elastin and collagen for smoother, tighter skin

Fractional Radio Frequency \$185

Using non invasive high radiofrequency, the deep heat production increases hyaluronic acids, and collagen tightens and smooths wrinkles on the face and body.

Chemical Peels \$129-225

Speed up the exfoliation process, encouraging cell turnover that leaves the skin looking fresh and healthy.

Thermoclear per session \$49-\$199

High radio frequency. Treating the top layer of skin (epidermis) quickly and easily treats skin tags, spider capillaries, sun spots/age spots, cherry angioma, and more. Requires free consultation before treatment.

Gua Sha Lymphatic Treatment (90 min) \$185

Improve circulation, detoxify, and reduce puffiness and sinus pressure, all while improving product absorption, reducing wrinkles, and toning loose skin with this **incredibly relaxing spa treatment**.
